It's been nearly five years since 30-year-old Faime Lynette Francis left her home in Swissvale and vanished.

Faime is described as 5-foot-8, 115 pounds with black hair and dark brown eyes. According to the [North American Missing Persons Network](#), she might wear a wig or add weave to her hair. She also wore an engagement-type ring on her left hand and often dressed in all black.

Her disappearance concerned family members because she suffers from mental illness. She did not have her medicine with her when she left home.

She has not been heard from since. She would turn 36 years old this May.

Anyone with information is asked to call [Swissvale Police Department](#) at 412-271-0430.
